

# East Palo Alto Talks

*Maintaining Our Local Quality of Life*

# THANK YOU!

- ▶ Thank you to the hundreds of residents who recently participated in our community survey to identify local priorities and City services.
- ▶ The City is grateful that two-thirds of respondents said the quality of life in East Palo Alto is excellent or good. We're committed to keeping this momentum up!

# Community Survey Highlights

77% of respondents said they were proud to live in EPA

70% said they feel safe in EPA

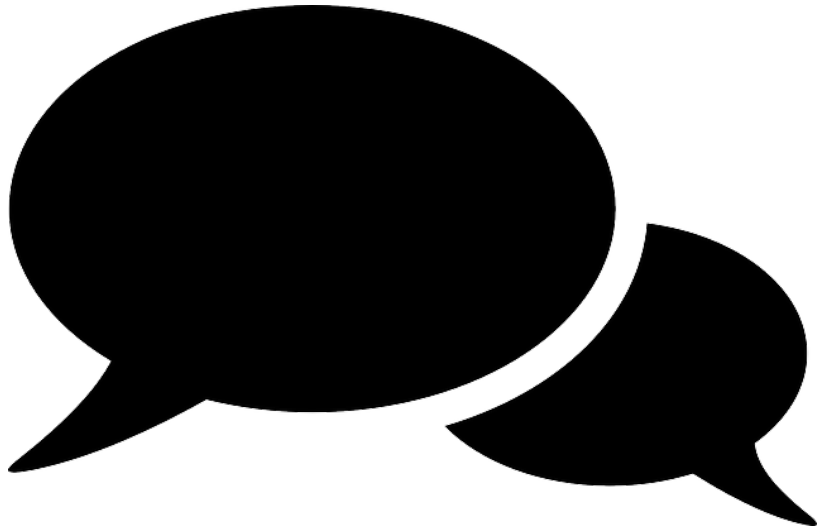

67% are satisfied with the job the City is doing to provide services

84% feel the City needs additional funding to provide the level of services residents need and want

# What is EPA Talks?

- ▶ *East Palo Alto Talks* is an interactive community conversation to discuss City service needs and priorities.
- ▶ We are inviting **YOU** to participate and give your feedback.

# What Are My Neighbors Saying?

*East Palo Alto residents have identified the following City priorities:*

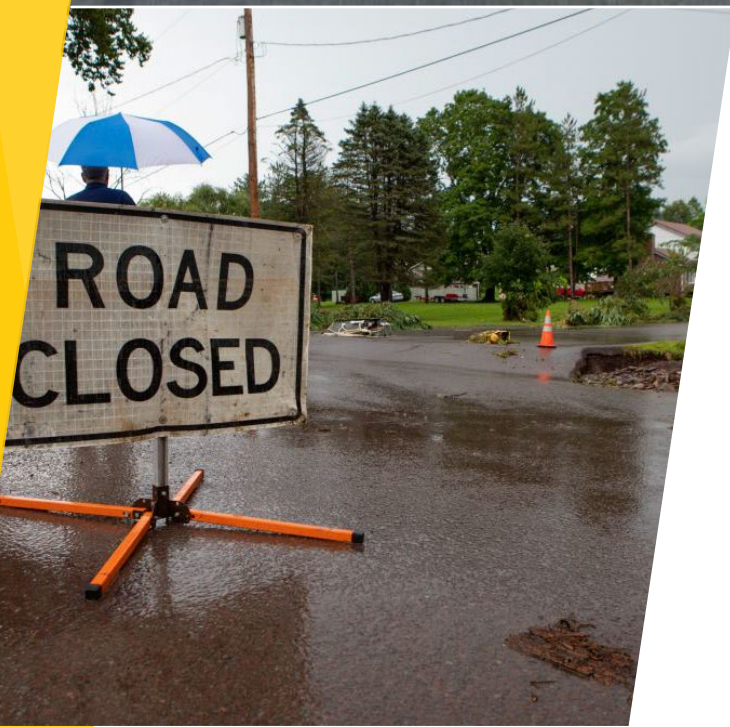

- ✓ Providing safe and clean drinking water
- ✓ Providing 911 emergency medical and police response
- ✓ Maintaining storm drains and the sewer and wastewater system

# Additional Community Priorities

Residents also identified the following priorities:

- ✓ Maintaining public facilities and infrastructure
- ✓ Paving and repairing local streets and roads, sidewalks, and other pedestrian walkways
- ✓ Enforcing traffic laws to protect the safety of pedestrians, cyclists and drivers
- ✓ Addressing the need for local affordable housing
