

Program: (name) _____ Logic Model

Situation: Please identify the issue and state your objective. What do you want to do? Focus on needs and assets; symptoms versus problems; and stakeholder engagement. State your priorities and intended outcomes. (100 words or less): **A history of incarceration alters how the formerly incarcerated are able to conduct job searches. The formerly incarcerated suffer from higher rates of unemployment and those that are unable to find gainful employment have higher recidivism rates according to the XYZ authority. A well written resume will help former inmates identify their skills and articulate them to prospective employers in professional and concise manner. Objective: Conduct 4 three-session resume writing workshops for 40 people.**

Budget: \$ 8,500.00

Matching Funds: \$ 1,500.00

Timeline: June - August

Assumptions and External Factors: Briefly highlight variables that could impact the successful implementation of this objective. Include discussion on how you plan to address these issues. (100 words or less): **Recruitment of participants may prove to be challenging. To mitigate this challenge we have developed a relationship with the Department of Probation. Probation Officers have agreed to require their clients to attend.**

Evaluation: Describe how will your organization evaluate and measure impact and success of the objective? Focus on your outcomes. Ask yourself what you want to know, and how will you know it. (100 words or less): **At the conclusion of the workshop, participants will be asked to complete a survey. We will follow-up with PD to track status.**
