

RBD / 4 Corners Specific Plan Update

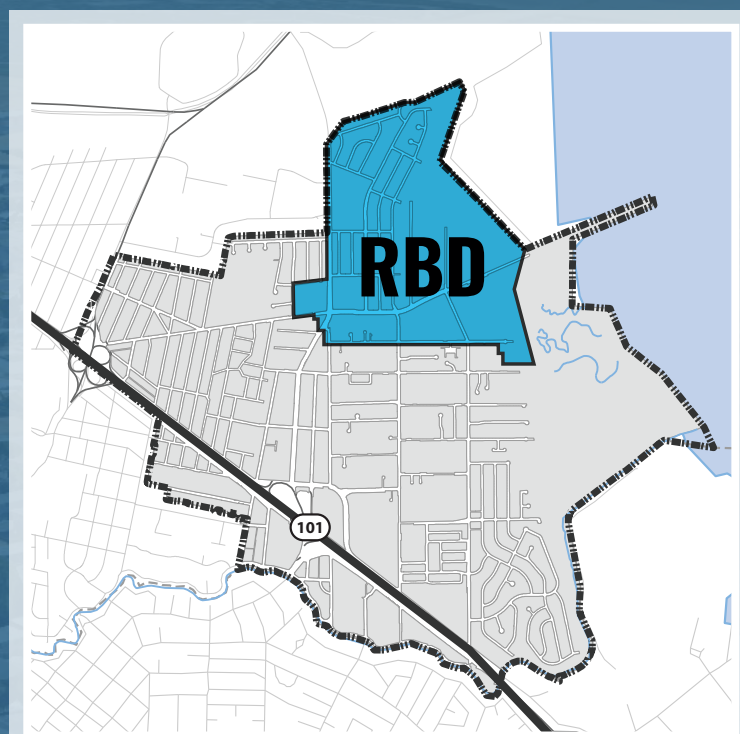

Help shape the future of Ravenswood Business District at the next public workshop!

PUBLIC WORKSHOP #2
Wednesday, September 22 2021
6:30PM–9:00PM

The City is updating the 2013 Ravenswood Business District (RBD) / 4 Corners Specific Plan. Recently, several projects have been proposed that exceed the amount of development assumed in the 2013 plan. At this workshop, we will discuss the benefits and impacts on the city and its residents, including topics such as: new community spaces, residential units, jobs for residents, increased city revenues, traffic congestion, displacement, and decreased housing affordability.

We need your help and insight to explore strategies to ensure a vibrant new neighborhood for RBD!

- Learn about different potential growth scenarios for RBD being considered by City Council.
- Hear about the potential impacts and benefits of each scenario on community benefits, transportation, infrastructure, jobs, affordable housing, and open space.
- Share your perspective on trade-offs between the scenarios in anticipation of City Council meetings in September and November.

Spanish Interpretation will be provided.
