Re: Monthly Flock audit
Date: May 1, 2026

I conducted the April 2026 audit of the Flock System per East Palo Alto Police Department Policy 428. The audit is from April 1 through April 30. The Flock system captured 5,100,568 license plates during this month. During the audit period East Palo Alto Officers conducted 969 searches. All of these searches were made within policy with valid cases numbers and/or reasons for the search.

As of today's date, we have all 25 cameras live.

I audited the activity of the agencies that we share our data with and confirmed they are all California agencies and followed the California Values Act (SB 54)
