Re: Monthly Flock audit
Date: June 30, 2025

I conducted the June 2025 audit of the Flock System per East Palo Alto Police Department Policy 428. The audit is from June 1st through June 30th. The Flock system has captured 5,337,366 reads for 2025. During the audit period East Palo Alto Officers conducted 804 searches. All of these searches were made within policy with valid cases numbers or reasons for the search.

As of today's date, we have all 25 cameras live.

East Palo Alto Flock cameras notable activity:

- 1) June 2, 2025 – East Palo Alto Officers were dispatched to a hit and run that occurred at University and Bay Road. Officers located a victim that was in critical condition. Officers utilized Flock to locate the suspect license plate. Officers were able to tell from Flock, which direction the suspect fled. Officers located the suspect and suspect vehicle in East Palo Alto. The suspect was arrested and booked.
- 2) June 26, 2025 – East Palo Alto Officers were dispatched to a business that had just been robbed. The victims gave a suspect vehicle description. Officers utilized Flock to locate the suspect vehicle, which was entered into the State Data Base for a felony vehicle. A short time later, the vehicle was located in Hayward. The suspect was arrested and the stolen property was returned to the business owner.
