

Addendum #1

Request for Proposals FOR 9-1-1 DISPATCH SERVICES

Purpose of this Addendum:

This addendum is issued to notify all prospective proposers that the **deadline for submission of proposals** has been **extended by two weeks**, from **August 8, 2025 to August 22, 2025 at 4:00 PM (PST)**.

The extension is being provided because **Exhibit B – East Palo Alto Standard Agreement for Contractor and Professional Services** was **inadvertently omitted** from the original RFP release.

Exhibit B is now attached to this addendum and shall be considered an essential part of the RFP package. Proposers are expected to review the document in full and ensure compliance with the agreement's terms as part of their proposal.

All other terms and conditions of the RFP remain unchanged.
