Dear Resident,

The City of East Palo Alto has awarded the contract to reconstruct asphalt pavement on certain streets throughout the city. Work on the following streets will require full road closures: Holland St from East Bayshore Rd to Menalto Ave, Bradley Way from Bay Road to Holland St, Menalto Ave from Bay Road to East Bayshore Road, and Runnymede from University Ave to 433 ft East of Cooley Ave.

The road closures will be in effect between the hours of 8:00am and 5:00pm, Tuesday 11/3/20 to Friday 11/6/20, as well as Monday 11/9/20.

During these times the roads will be closed to through traffic, however access to residents will be maintained. Residents are asked to notify construction personnel so that they may be escorted through the work area.

We will try to minimize your inconvenience; however, parking will be prohibited during some of the construction activities. NO PARKING signs will be posted in the affected areas to inform you of the work and their dates. **All parked vehicles will be towed at the owner's expense.**

Further Notices will be sent with any updates to the construction schedule.
