MEMORANDUM

July 23, 2021

Subject: Clarification for City Council Resolution 71-2021

To whom it may concern,

There is an inconsistency on City Council Resolution 71-2021, adopted on June 1st, 2021. The second item under the NOW, THEREFORE section of the resolution should have listed the fiscal year as 2021-2022 to match the rest of the document. The proper language is as follows: “Affirms that the following projects may utilize fiscal year 2021-2022 Road Maintenance and Rehabilitation Account revenues public and the State our intent to fund these projects with Road Maintenance and Rehabilitation Account revenues....”

If further clarification in needed, please reach out to Humza Javed at hjaved@cityofepa.org.

Sincerely,

Humza Javed, PE

Acting Public Works Director
