CITY OF EAST PALO ALTO

FEDERAL HIGHWAY BRIDGE PROGRAM

UNIVERSITY AVENUE OVERCROSSING

YEAR OF COMPLETION: **2024**

BE **WORK ZONE** ALERT

What happened in December 2023

- Continued US 101 lane realignment to make space for construction
- Demolition of the median concrete barrier
- Construction of pier foundation reinforcement

What is coming up next month?

- Drilling of 3 bridge piers, each 8 feet in diameter and more than 100 feet deep
- Construction of bridge piers and foundations
- Minimal night time lane closures for drilling and construction

Project Information and Challenges

- Keeping the public safe - please watch for the construction zone, CHP is helping
- Keeping construction noise to a minimum
- Technical challenges with building large diameter cast-in-drilled-hole (CIDH) piers
