ROW Cost Summary - By Year of Mitigation

Summary of Work By Year

The ADA Transition Plan for Right of Ways (ROW's) is split between three phases, which are denoted by estimated completion year. Each phase includes specific categories of necessary ROW improvements. These phases are listed below:

Completed by 2020 – This work includes items such as bush, tree and plant trimming, as well as other simple fixes.

Completed by 2023 – This work specifically addresses abrupt changes in elevation in the sidewalk, usually fixed through grinding.

Completed by 2028 – This work requires the replacement of sidewalk sections.

Estimated Year of Completion - December 2020
